Dear Mr. Dietzel:

### SECOND VIOLATION NOTICE

On July 21, 2014, the Department of Environmental Quality (DEQ), Air Quality Division (AQD), conducted an inspection of Dietzel Auto Body (the company), located at 11 South Bradleyville, Reese, Michigan.

The purpose of the inspection was to determine Dietzel Auto Body's compliance with the requirements of the federal Clean Air Act; and Part 55, Air Pollution Control, of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended (Act 451); the administrative rules and to investigate a recent complaint which we received on July 2, 2014, regarding sand blasting, fugitive dust, etc. attributed to sandblasting operations.

On July 21, 2014, the AQD sent the company a Violation Notice citing violation discovered as a result of the inspection and requested your written response by August 11, 2014. A copy of that letter is enclosed for your reference. As of this date, we have not received an adequate response. A program for compliance included a completed Permit to Install (PTI) application for the portable blast-cleaning process equipment. An application form is available by request, or at the following website:

[http://www.deq.state.mi.us/aps/nsr\\_information.shtml#AUP](http://www.deq.state.mi.us/aps/nsr_information.shtml#AUP)

Be advised that Rule 201 requires that a permit be obtained prior to installation, construction, operation, reconstruction, relocation, or alteration of any process or process equipment which may be a source of an air contaminant.

Please be advised that failure to respond in writing and identifying actions the company will take or has taken to resolve the cited violation may result in escalated enforcement action by the AQD. Please provide the information requested in our July 21, 2014 letter by October 29, 2014, which corresponds to 14 days from the date of this letter.

Be further advised that issuance of this Violation Notice does not preclude or limit the DEQ's ability to initiate any other enforcement action under state or federal law as appropriate.

If you have any questions regarding the violation or the actions necessary to bring Dietzel Auto Body into compliance, please contact me at the number listed below.

Sincerely,
