ATTENTION: Mr. Karl H. Thomas

On May 23, 2017, the Michigan Department of Environmental Quality (MDEQ), Air Quality Division (AQD) sent you a Violation Notice in reference to violations of the National Emission Standards for Hazardous Air Pollutants that occurred at 11181 French Road, Detroit, Michigan (ID: U82060106).

These violations have resulted in the commencement of formal civil and/or administrative proceedings pursuant to Title 40 of the Code of Federal Regulations, Part 61, Subpart M (National Emission Standard for Asbestos), and Rule 942 of Part 55, Air Pollution Control of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended (Act 451). The AQD is hereby providing you with an opportunity to demonstrate compliance, present factual information in writing that should be considered regarding the violations, and meet to discuss options for satisfactorily resolving the violations. This proposed resolution will include, among other things, a compliance schedule and an appropriate monetary penalty.

In an effort to seek resolution of the cited federal and state air quality violations, the cited parties will be given an opportunity to discuss a resolution of this matter with the AQD pursuant to Section 5515 of Act 451, which will satisfy both state and federal requirements. Please contact me at 517-284-6769, or by email at [morane@michigan.gov](mailto:morane@michigan.gov), no later than Monday, July 3, 2017, to schedule a meeting to discuss the resolution of this matter.

Mr. Karl H. Thomas

Be advised that failure to respond to this Enforcement Notice in a timely manner and adequately resolve or address the cited violations may result in further enforcement proceedings including, but not limited to, referral of the matter to the Department of Attorney General for commencement of civil litigation. Be further advised that this Enforcement Notice does not preclude or limit the DEQ's ability to initiate any other enforcement action under federal or state law as appropriate.
