Dear Messrs. Delicata, Wright and Patterson:

SECOND VIOLATION NOTICE

On March 15, 2016, the Department of Environmental Quality (DEQ), Air Quality Division (AQD), conducted an investigation of the asbestos-NESHAP subject properties located at 3232 Glynn Court and 6935 Edward St., Detroit. The purpose of this investigation was to determine RDC Construction Services, LLC's, the Detroit Building Authority's and the City of Detroit Office of Contracting and Procurement's compliance with the requirements of Title 40 of the Code of Federal Regulations, Part 61, Subpart M (National Emission Standard for Asbestos), and Rule 942 of Part 55, Air Pollution Control of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended.

On March 22, 2016, the AQD sent the company a Violation Notice citing a violation discovered as a result of the inspections and requested your written response by April 12, 2016. A copy of that letter is enclosed for your reference. As of this date, we have not received your response.

Please be advised that failure to respond in writing and identifying actions the company will take or has taken to resolve the cited violation may result in escalated enforcement action by the AQD. Please provide the information requested in our March 22, 2016 letter by April 29, 2016, which corresponds to 14 days from the date of this letter.

Be further advised that issuance of this Violation Notice does not preclude or limit the DEQ's ability to initiate any other enforcement action under state or federal law as appropriate.

Dear Messrs. Delicata, Wright and Patterson
