SRN: U821604742, Wayne County

Dear Ms. Bascos and Messrs. Wortham and Palazzolo:

SECOND VIOLATION NOTICE

On July 28, and August 9, 2016, the Department of Environmental Quality (DEQ), Air Quality Division, conducted an inspection of four residential properties located at 3916 Cicotte, 34 W. Parkhurst, 626 W. Robinwood and 19157 Hershey, Detroit. The purpose of this inspection was to determine ABC Demolition Company, Inc.'s, the Detroit Building Authority's and the Detroit Land Bank's compliance with the requirements of Title 40 of the Code of Federal Regulations, Part 61, Subpart M (National Emission Standard for Asbestos), and Rule 942 of Part 55, Air Pollution Control of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended.

On August 11, 2016, the AQD sent the company a Violation Notice citing violations discovered as a result of the inspections and requested your written response by September 1, 2016. A copy of that letter is enclosed for your reference. As of this date, we have not received your response.

Please be advised that failure to respond in writing and identifying actions the company will take or has taken to resolve the cited violations may result in escalated enforcement action by the AQD. Please provide the information requested in our August 11, 2016 letter by September 23, 2016, which corresponds to 14 days from the date of this letter.

Be further advised that issuance of this Violation Notice does not preclude or limit the DEQ's ability to initiate any other enforcement action under state or federal law as appropriate.

Messrs. Wortham and Palazzolo
Ms. Bascos

Thank you for your attention to resolving the violations cited above and for the cooperation that was extended to us during my inspection of the residential properties. If you have any questions regarding the violations or the actions necessary to bring this facility into compliance, please contact me at the number listed below.

Sincerely,

Tammy S. Bell
Senior Environmental Quality Analyst
Air Quality Division
