Dear Ms. Ahmad:

SECOND VIOLATION NOTICE

On June 7, 2018, the Department of Environmental Quality (DEQ), Air Quality Division (AQD), conducted an inspection of residential property located at 17588 Wildemere, Detroit, Michigan. The purpose of the inspection was to determine BAE Enterprises, LLC's compliance with the requirements of Title 40 of the Code of Federal Regulations (CFR), Part 61, National Emission Standards for Hazardous Air Pollutants (NESHAP), Subpart M and Rule 942 of the administrative rules promulgated under Part 55, Air Pollution Control of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended.

On June 18, 2018, the AQD sent BAE Enterprises, LLC a Violation Notice citing a violation discovered as a result of the inspection and requested your written response by July 9, 2018. A copy of that letter is enclosed for your reference. However, the response submitted by BAE Enterprises, LLC did not all provide all of the requested information, including:

- The name of the contractor that performed renovation work at the site;
- The dates the violation occurred;
- An explanation of the causes and duration of the violation; and
- What steps are being taken to prevent a reoccurrence of the violation.

Please be advised that failure to respond in writing and identifying actions BAE Enterprises, LLC will take or has taken to resolve the cited violation may result in escalated enforcement action by the AQD. Please provide the information requested in our June 18, 2018 letter by August 9, 2018, which corresponds to 14 days from the date of this letter.

Be further advised that issuance of this Violation Notice does not preclude or limit the DEQ's ability to initiate any other enforcement action under state or federal law as appropriate.

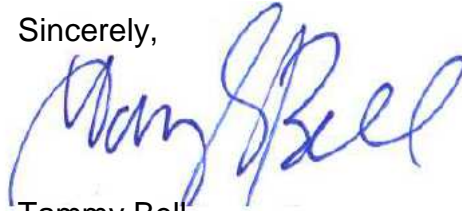

Ms. Royda Ahmad
