Dear Ms. Spitz:

SUBJECT: Malfunction Abatement Plan Approval

On March 5, 2021, the Department of Environment, Great Lakes, and Energy (EGLE), Air Quality Division (AQD) received a Startup/Shutdown/Malfunction Abatement Plan (SSMAP) from Consumers Energy Company - Jackson Generating Station, located at 2219 Chapin St., Jackson, Michigan. The SSMAP as proposed is acceptable; however, if at any time the SSMAP fails to address or inadequately addresses an event that meets the characteristics of a malfunction, the owner or operator shall amend the plan. The SSMAP shall also be amended if new equipment is installed or upon request from the AQD. Be advised that any amended SSMAP shall be submitted to the AQD District Supervisor for review and approval.

Please contact me at the number listed below if you have any questions concerning this matter.

Sincerely,

Scott Miller
Jackson District Supervisor
Air Quality Division
