SUBJECT: FY2019 Self Initiated Inspection		
RESOLVED COMPLAINTS:		

On 4/26/19, I drove to the area of 19925 Hoover Road in Detroit. This was formerly the site of PYC Davis Graphics and subsequently P.D.&E., Inc. When I arrived, the property was vacant; the building was crumbling and no businesses appeared to be operating there. A check of the LARA website indicates that both businesses were dissolved (see attached).

PYC Davis is listed under 2 SRNs at the same address in permit cards: M4598 and A9294. PD&E is not in permit cards; yet it is listed under A9294 in the Detroit District files and permit C-10304 was issued to PD&E. Wayne County permits C-4937 through 4944(Printing presses and dryers, 1979), C-7142 (silk screen washing booth, 1985), were all issued to PYC Davis Graphics and C-10304 (paint spray booth, 1993) was issued to PD&E Inc and all are listed as active in permit cards database. I will void these permits. A letter will not be sent as the address is for a vacant property.
