Re: Cadillac Asphalt, Clarkston Plant, SRN B4287
Violation Notice

Dear Ms. Leffert:

This letter is in response to the violation notice received on September 28, 2020. The violation cited was PTI No. 443-82H, EUSILOS Condition 4.1; Rule 910, blue smoke emission capture system. The system has been repaired and is back in operation.

Pertinent information is as follows. The blue smoke system was offline for repair from July 3 - Aug 4, 2020. The system had malfunctioned and parts were ordered to repair the system. The system was placed back in operation on Aug 4, 2020. The system is maintained and checked during spring maintenance.

Please let me know if you need further information or have any questions, I can be reached at 734-777-3647.

Sincerely,

A handwritten signature in black ink, appearing to be "SH", written over a horizontal line.
