To whom it may concern

My name is Klerika and I am contacting you today regarding the violation notice that Mr Joseph sent me after he visited my cleaner on June 16,2023

There was some issues that he wanted me to explain why.

The NESHAP logo was not being kept for the dry cleaning machine. I started telling him the reason why but he wants it on writing response

The log was kept on till 5/1/2023

On middle of the month of May I took my vacation . When I came back I had COVID and has no power to do any work

After me my mom had it to, so I had to take care of her. I hasn't turned on the dry cleaning machine during this time. I run this business for more than 18 years now and that was the first time that I wasn't able to do any work. I also sending you the pictures that I got. We are human and sometimes we break too. Thank you for understanding

Sincerely Klerika
