ENFORCEMENT NOTICE

In the matter of:

Haviland Enterprises, Inc.
421 Ann Street NW
Grand Rapids, Michigan 49504

Attention: Mr. Josh Mueller

This letter is to advise you of the commencement of escalated enforcement action against Haviland Enterprises, Inc. (SRN: N0878). This letter follows the September 2, 2016, November 15, 2016, and January 3, 2017 Violation Notices (VN) issued by the Michigan Department of Environmental Quality (MDEQ), Air Quality Division (AQD) which detailed violations of Michigan Administrative Code R 336.1201 (Rule 201), R 336.1210 (Rule 210) and R 336.1910 (Rule 910).

The alleged violations against Haviland Enterprises, Inc. are federally enforceable and are considered a High Priority Violation (HPV) by the United States Environmental Protection Agency (EPA). The HPV designation means that the EPA places a priority on enforcing the regulations governing this violation and on formally resolving alleged violations of this type. The AQD is required to report all HPVs to the EPA, pursuant to the state's grant commitments with the EPA and the state's delegated enforcement authority of the federal Clean Air Act.

The AQD is hereby providing you with an opportunity to demonstrate compliance, present factual information in writing that should be considered regarding the violations and meet to discuss options for satisfactorily resolving the violations. This proposed resolution would include, among other things, a compliance schedule and an appropriate monetary penalty. Please contact me at 517-284-6797, or by email at rathbunj1@michigan.gov, no later than Tuesday, February 7, 2017, to schedule a meeting to discuss the resolution of this matter.

Be advised that failure to respond to this Enforcement Notice in a timely manner and adequately resolve or address the cited violations may result in further enforcement proceedings including, but not limited to, referral of the matter to the Michigan Department of Attorney General for commencement of civil litigation. Be further advised that this Enforcement Notice does not preclude or limit the MDEQ's ability to initiate any other enforcement action under federal or state law as appropriate.
