In the matter of:

Kirtland Products, LLC
1 Altair Drive
Boyer City, Michigan 49712

SRN: N2239, Charlevoix County

ATTENTION: Mr. Johnson:

This letter is to advise you of the commencement of escalated enforcement action against Kirtland Products, LLC. This letter follows the October 29, 2015 Violation Notice (VN) issued by the Michigan Department of Environmental Quality (DEQ), Air Quality Division (AQD) which detailed violations of Permit to Install 47-11D.

The AQD is hereby providing you with an opportunity to demonstrate compliance, present factual information in writing that should be considered regarding the violations and meet to discuss options for satisfactorily resolving the violations. This proposed resolution would include, among other things, a compliance schedule and an appropriate monetary penalty. Please contact me no later than Monday, November 23, 2015, to schedule a meeting to discuss the resolution of this matter.

Be advised that failure to respond to this Enforcement Notice in a timely manner and adequately resolve or address the cited violations may result in further enforcement proceedings including, but not limited to, referral of the matter to the Department of Attorney General (DAG) for commencement of civil litigation. Be further advised that this Enforcement Notice does not preclude or limit the DEQ's ability to initiate any other enforcement action under federal or state law as appropriate.

Sincerely,
