PTI #1087-89 was issued to Strasler Tire Service on April 11, 1990.

On 6/23/2015 I visited the site. 103 River Street is now the location of Corner Cutz Salon. I talked with the owner, Ms. Terri Savage (906 341-2887). She stated she has been at this location for about 4 years. She mentioned several business that have been at this location before her, none were Strasler Tire Service.

Ms. Savage did not know anything about the waste oil furnace.

A request will be sent to the permit section to void PTI #1087-89. This facility can be removed from the inspection database.
