Subject: Violation Notice Response  
Oakland Heights Development, Inc. – MI-ROP-N6008-2015  
Auburn Hills, MI

Dear Mr. Joseph;

Oakland Heights Development, Inc. (OHD) requests a meeting with the MDEQ to discuss the events surrounding the flare downtime as well as our investigations into the causes and potential solutions going forward. We feel this will be more productive than back and forth letters and notices of violations and will allow us to answer any questions you may have. Following the meeting, OHD will provide a written response that reflects our discussions and more fully addresses the concerns MDEQ described in the February 11, 2019 and March 25, 2019 Violation Notices.

As such, we are hereby requesting an extension of time to respond to the MDEQ's Violation Notice dated March 25, 2019, to allow us to conclude our analysis and meet with the MDEQ.

To coordinate the meeting between the MDEQ and OHD, please contact Robb Moore at 810-655-6906.

Sincerely,

OAKLAND HEIGHTS DEVELOPMENT, INC.
