Dear Mr. Riling:

**VIOLATION NOTICE**

On February 15, 2017, the Department of Environmental Quality (DEQ), Air Quality Division (AQD), conducted an inspection of Enervest Operating's ASE-6 CPF located at NW SE SW of Section 32, T30N R2W, Otsego County, Michigan. The purpose of this inspection was to determine Enervest Operating's compliance with the requirements of the federal Clean Air Act; Part 55, Air Pollution Control, of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended (Act 451); the Air Pollution Control Rules; and the conditions of Permit to Install (PTI) number 320-05.

During the inspection, staff observed the following:

Process Description	Rule/Permit Condition Violated	Comments
Natural gas-fired compressor engine	Special Condition 1.9	Special conditions of the PTI require a stack height of 30 feet. AQD staff observed a stack height of approximately 16 feet.

Please initiate actions necessary to correct the cited violation and submit a written response to this Violation Notice by March 21, 2017. The written response should include: an explanation of the causes and duration of the violation; a summary of the actions that have been taken and are proposed to be taken to correct the violation and the dates by which these actions will take place.

If Enervest Operating believes the above observations or statements are inaccurate or do not constitute violations of the applicable legal requirements cited, please provide appropriate factual information to explain your position.

Thank you for your attention to resolving the cited violation. If you have any questions regarding the violation or the actions necessary to bring this facility into compliance, please contact me at the number listed below.

Sincerely,

A handwritten signature in black ink that reads "Shane Nixon". The signature is written in a cursive, flowing style.
