LOCATION: SECTION 24, CENTRAL LAKE		DISTRICT: Gaylord
CITY: CENTRAL LAKE		COUNTY: ANTRIM
CONTACT:		ACTIVITY DATE: 06/22/2016
STAFF: Gloria Torello	COMPLIANCE STATUS: Compliance	SOURCE CLASS: MINOR
SUBJECT: 2016 Site visit.		
RESOLVED COMPLAINTS:		

SRN: N7091. Riverside Energy Michigan (formerly Atlas, and Chevron), Echo 26.

Location: The facility is located in Antrim County, Echo Township, T31N, R7W, Section 24, SE NW SW.

This is an Antrim gas facility. There is not an AQD permit for this facility. On file with this SRN is a February 28, 2009 letter from Atlas Energy with a determination the facility is exempt from AQD permit requirements under Rule 285(g), and the facility has emissions below significant levels.

MACES:

Facility Information was reviewed. Operating status was left Blank. There is not an option for Exempt.

Inspection: On June 22, 2016 AQD staff was onsite. The facility was not operating. On site are disconnected lines, and a note with the message dated 9/29/15: Echo 26 shut-in. The site was tidy. Onsite was a glycol dehydrator, a large tank in a lined retaining area, two small tanks with labels of Methanol, and Triethylene glycol.

In August 2016 Torello, AQD, spoke with Natalie Schrader of Riverside Energy Michigan. Natalie said the facility was not operating.

In MACES, the facility name was changed to Riverside Energy Michigan.

AQD's file labels will be updated from Atlas to Riverside Energy Michigan.
