Dear Mr. Stumpf:

SECOND VIOLATION NOTICE

On December 15, 2015, the Department of Environmental Quality (DEQ), Air Quality Division (AQD), conducted an inspection of Eteron Incorporated (the company), located at 23944 Freeway Park Drive, Farmington Hills, Michigan. The purpose of the inspection was to determine Eteron Incorporated's compliance with the requirements of the federal Clean Air Act; and Part 55, Air Pollution Control, of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended (Act 451); the administrative rules, the conditions of Permit to Install (PTI) number 9-12 and 90-14A and Consent Order AQD number 13-2015.

On January 8, 2016, the AQD sent the company a Violation Notice citing violations discovered as a result of the inspection and requested your written response by January 29, 2016. A copy of that letter is enclosed for your reference. As of this date, we have not received your response.

Please be advised that failure to respond in writing and identifying actions the company will take or has taken to resolve the cited violations may result in escalated enforcement action by the AQD. Please provide the information requested in our January 8, 2016 letter by February 17, 2016, which corresponds to 14 days from the date of this letter.

Be further advised that issuance of this Violation Notice does not preclude or limit the DEQ's ability to initiate any other enforcement action under state or federal law as appropriate.

If you have any questions regarding the violations or the actions necessary to bring Eteron Incorporated into compliance, please contact me at the number listed below.
