Dear Mr. Mike Kovalchick:

This letter is in response to the Second Violation Notice addressed to Mr. Bill Burk and Mr. Glen Hard of Sport Truck USA, Inc. dated 13 December 2017. The Spring Arbor Sport Truck facility was in violation of Rule 201 for operating two plasma cutting booths without the proper permits.

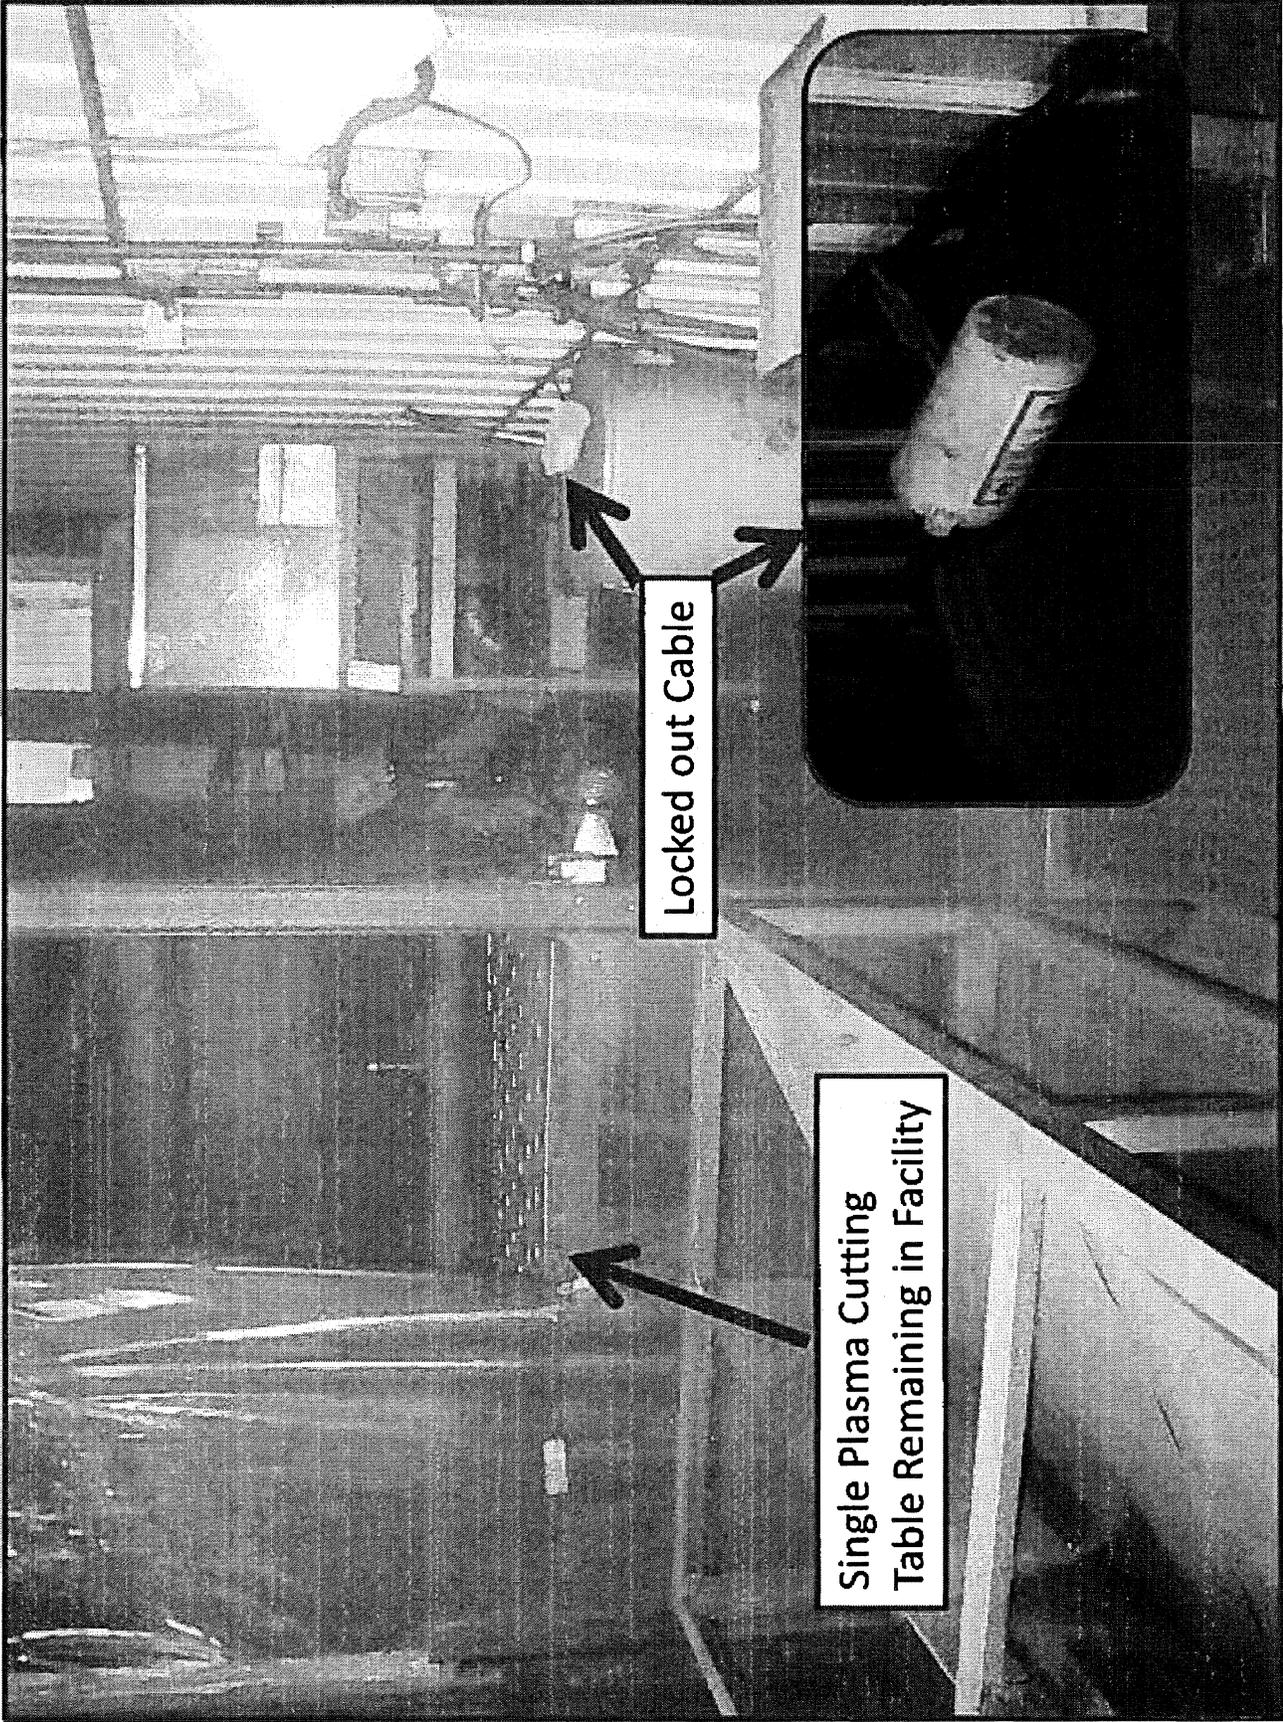

As of this writing, one of the two tables has been removed from the facility. The use of the second table has been discontinued and it has been disconnected from all utilities. Photos are attached to document these actions.

If there are any further questions or actions required to close this issue, please contact me at the number listed below.

Sincerely,
