Re: Fugitive Dust – October 7, 2019

Mr. Joseph,

We are in receipt of your letter dated 11/6/19 with regards to the fugitive dust which was reported to you on October 7, 2019.

As you are aware per your inspection, we had a complaint about fugitive dust on Dixie Highway as you exit our place of business. We have since implemented a daily schedule to sweep the roadway to prevent any dust from accumulating on the roadway. Also we have placed a crushed asphalt approach to the roadway to minimize fugitive dirt leaving our pit. In addition, we have increased the use of chloride to eliminate the fugitive dust from leaving our property. We expect all the actions we have implemented should eliminate and/or remedy the dust issue.

Should you have further concerns or issues please feel free to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "Robert J. Aldridge". The signature is fluid and cursive, with a long horizontal stroke extending to the right.

Robert J. Aldridge
President
