Dear Ms. Beeny:

SECOND VIOLATION NOTICE

On December 29, 2015, the Department of Environmental Quality (DEQ), Air Quality Division (AQD), performed an asbestos NESHAP inspection at 2415 North Cedar Street, Holt, in Ingham County, Michigan. The purpose of this inspection was to determine compliance with the requirements of Title 40 of the Code of Federal Regulations, Part 61, Subpart M (National Emission Standard for Asbestos), and Rule 942 of Part 55, Air Pollution Control of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended.

On January 4, 2016, the AQD sent you a Violation Notice citing violations discovered as a result of the inspection and requested your written response by January 25, 2016. A copy of that letter is enclosed for your reference. As of this date, we have not received your response.

Please be advised that failure to respond in writing and identifying actions the company will take or has taken to resolve the cited violations may result in escalated enforcement action by the AQD. Please provide the information requested in our January 4, 2016, letter by February 21, 2016, which corresponds to 10 days from the date of this letter.

Be further advised that issuance of this Violation Notice does not preclude or limit the DEQ's ability to initiate any other enforcement action under state or federal law as appropriate.

If you have any questions or require further information regarding the violations or the actions necessary to bring your property into compliance, please contact me at 517-599-7825; brownj9@michigan.gov; or DEQ AQD, P.O. Box 30260, Lansing, Michigan 48909-7760.

Sincerely,
