Dear Mr. Dusseau and Mr. Crots:

SECOND VIOLATION NOTICE

On June 17, 2019, the Department of Environment, Great Lakes, and Energy (EGLE), Air Quality Division (AQD) performed an asbestos inspection at 118, 122, and 126 Carey Street, Deerfield, Michigan. The purpose of this inspection was to determine compliance with the requirements of Title 40 of the Code of Federal Regulations, Part 61, Subpart M (National Emission Standard for Asbestos), and Rule 942 of Part 55, Air Pollution Control of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended.

On June 28, 2019, the AQD sent a Violation Notice (VN) citing a violation discovered because of the inspection and requested a written response by July 19, 2019. A copy of this VN has been enclosed for your reference. As of the date of this letter, the AQD has not received the written response to the cited violation.

Please be advised that failure to respond in writing and identifying actions taken to resolve the cited violation may result in an escalated enforcement action by the AQD. Please provide the information requested in the VN dated June 28, 2019 by August 5, 2019, which corresponds to 14 days from the date of this letter.

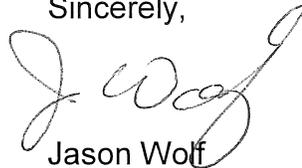

The written response must be submitted to Ms. Tammy Bell at EGLE, AQD, 3058 West Grand Boulevard, Suite 2-300, Detroit, Michigan 48202, and must include a copy to Mr. Jason Wolf, Enforcement Unit at EGLE, AQD, P.O. Box 30260, Lansing, Michigan 48909-7760. Or the response may be scanned and sent to bellT4@michigan.gov and wolfj2@michigan.gov.

Dear Mr. Dusseau and Mr. Crots

Be further advised that issuance of this VN does not preclude or limit EGLE's ability to initiate any other enforcement action under state or federal law as appropriate.

If you have any questions regarding this matter or the actions necessary to come into compliance, please contact me at the number listed below.

Sincerely,

A handwritten signature in black ink, appearing to read "J. Wolf", written in a cursive style.

Jason Wolf
