On August 27, 2015, the Department of Environmental Quality (DEQ), Air Quality Division (AQD) conducted an inspection of Phoenix Polymer Compounding LLC, located at 7290 Kensington Road, Brighton. The purpose of the inspection was to determine Phoenix Polymer Compounding LLC compliance with the requirements of the federal Clean Air Act; and Part 55, Air Pollution Control, of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended (Act 451); the Air Pollution Control Rules; and to investigate past complaints we received on and prior to August 28, 2014, regarding foul odors believed to be attributed to your facility.

On March 18, 2016, the AQD sent the company a Violation Notice citing a violation discovered as a result of the inspection and requested your written response by April 8, 2016. A copy of that letter is enclosed for your reference. As of this date, we have not received your response.

Please be advised that failure to respond in writing and identify actions the company will take or has taken to resolve the cited violation may result in escalated enforcement action by the AQD. Please provide the information requested in our March 18, 2016 letter by December 23, 2016.

Be further advised that issuance of this Violation Notice does not preclude or limit the DEQ's ability to initiate any other enforcement action under state or federal law as appropriate.
