Dear Messrs. Brown, Wright and Patterson:

SECOND VIOLATION NOTICE

On January 25 and 26, the Department of Environmental Quality (DEQ), Air Quality Division (AQD), conducted an inspection of the residential property located at 1629 W. Philadelphia, Detroit. The purpose of this inspection was to determine Brown Environmental Construction's compliance with the requirements of Title 40 of the Code of Federal Regulations, Part 61, Subpart M (National Emission Standard for Asbestos), and Rule 942 of Part 55, Air Pollution Control of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended.

On February 29, 2016, the AQD sent the above parties a Violation Notice citing violations discovered as a result of the inspection and requested your written response by March 21, 2016. A copy of that letter is enclosed for your reference. As of this date, we have not received your response.

Please be advised that failure to respond in writing and identifying actions the company will take or has taken to resolve the cited violations may result in escalated enforcement action by the AQD. Please provide the information requested in our February 29, 2016 letter by April 2, 2016, which corresponds to 10 days from the date of this letter.

Be further advised that issuance of this Violation Notice does not preclude or limit the DEQ's ability to initiate any other enforcement action under state or federal law as appropriate.

Messrs. Brown, Wright and Patterson
