Dear Mr. Gregory and Mr. Moran:

**VIOLATION NOTICE**

On February 13, 2017, the Department of Environmental Quality (DEQ), Air Quality Division, conducted an inspection of Moran Automotive Service Center, located at 15800 Eureka Road, Southgate. The purpose of this inspection was to determine Mastino Construction's and Moran Southgate, LLC's compliance with the requirements of Title 40 of the Code of Federal Regulations, Part 61, Subpart M (National Emission Standard for Asbestos), and Rule 942 of Part 55, Air Pollution Control of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended.

According to our investigation, Moran Southgate, LLC owns the facility and Mastino Construction performed the renovation activities at the facility. The National Emission Standard for Asbestos holds both the owner and operator equally liable for violations.

During the inspection, DEQ staff Tammy S. Bell observed that building materials inside of the former showroom had been removed and disposed of without the required through inspection for asbestos.
