Dear Ronnie Dishow and Michael Gildersleeve:

**SECOND VIOLATION NOTICE**

On March 17, 2023, the Michigan Department of Environment, Great Lakes, and Energy (EGLE), Air Quality Division (AQD) performed an asbestos inspection at 24354 Ecorse Road, Taylor, Michigan. The purpose of this inspection was to determine compliance with the requirements of Title 40 of the Code of Federal Regulations (40 CFR), Part 61, Subpart M (National Emission Standard for Asbestos), and Rule 942 of Part 55, Air Pollution Control of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended.

On March 23, 2023, the AQD sent a Violation Notice (VN) citing violations discovered because of the inspection and requested a written response by April 13, 2023. A copy of this VN has been enclosed for your reference. As of the date of this letter, the AQD has not received the written response to the cited violations.

Please be advised that failure to respond in writing and identifying actions taken to resolve the cited violation may result in an escalated enforcement action by the AQD. Please provide the information requested in the VN dated March 23, 2023, by May 3, 2023, which corresponds to 14 days from the date of this letter.

The written response must be submitted to Tammy Bell at EGLE, AQD, 3058 West Grand Boulevard, Suite 2-300, Detroit, Michigan 48202, and must include a copy to Jason Wolf, Enforcement Unit at EGLE, AQD, P.O. Box 30260, Lansing, Michigan 48909-7760. Or the response may be scanned and sent to BellT4@Michigan.gov and WolfJ2@Michigan.gov.

Be further advised that issuance of this VN does not preclude or limit EGLE's ability to initiate any other enforcement action under state or federal law as appropriate.  
If you have any questions regarding this matter or the actions necessary to come into compliance, please contact me at the number listed below.

Sincerely,

Jason Wolf  
Enforcement Unit  
Air Quality Division  
517-275-0943
